## FOREWORD

This publication is a compilation of regulated motor vehicle safety equipment items which have been tested to recognized standards by accredited testing laboratories and found to be in compliance with jurisdictional requirements as overseen by the Automotive Manufacturers Equipment Compliance Agency, Inc (AMECA).

The AMECA *Compliance List* is published approximately 50 times a year and contains all valid AMECA Notice's of Equipment Compliance™ issued during the previous three years plus any new compliance documents added in the previous week. The monthly *Compliance List* is uploaded to the website [www.ameca.org](http://www.ameca.org) under the page titled: *Handbook of Compliant Automotive Safety Devices*. This web-based accessibility allows jurisdictions all-hours field access to information relevant to accident investigations, anti-counterfeit actions, and compliant product purchasing.

If you would like to receive notification of the updated AMECA *Compliance List* please send an email to: [info@ameca.org](mailto:info@ameca.org) with the sections you wish to receive in the body of the email.

Every effort is made to accurately report all new, renewed and revised items from every AMECA compliant participating manufacturers. Your suggestions are always welcome and AMECA is proud to serve law enforcement at every level. AMECA exists to serve you.

Information relative to the preparation of submissions for Notices of Equipment Compliance™ can be found in the *Manufacturers Guide for Safety Equipment Compliance Services*. This guide also contains general AMECA program information. A complete listing of safety-related items covered by AMECA is also available at [www.ameca.org](http://www.ameca.org).

Grateful acknowledgment is made to those who have cooperated in making this listing possible.

## LIGHTING DEVICES

These devices are grouped by SAE Code and are in alphanumeric sequence within each SAE Code. The SAE Code symbols are listed beginning on page 3-c. The following system designates lens color:

A - AMBER

B - BLUE

R - RED

W - WHITE

Y – YELLOW

## INDEX

|                                                                                                                                                     |    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------|----|
| Combination Front Automotive Lamps: Headlamp, Parking, Turn Signal, Cornering, Fog, Reflex Reflector And Side Marker Lamps In Any Combination ..... | 6  |
| Single Headlamps SAE Code "HR" Or "H" .....                                                                                                         | 17 |
| Single Turn Signal.....                                                                                                                             | 18 |
| Single Parking Lamp.....                                                                                                                            | 18 |
| Single Reflex Reflector .....                                                                                                                       | 19 |
| Combination Side Marker and Reflex Reflector.....                                                                                                   | 21 |
| Retroreflective Sheeting.....                                                                                                                       | 23 |
| Front Or Rear Side Marker Lamps.....                                                                                                                | 24 |
| Combination Side Marker Lamps And Side Turn Signal Lamps .....                                                                                      | 26 |
| Clearance Or Identification Lamps.....                                                                                                              | 26 |
| Side Turn Signal.....                                                                                                                               | 27 |
| Daytime and Combination Daytime Running Lamps .....                                                                                                 | 32 |
| Note: All of these lamps comply with NHTSA Docket: 108 2009-0022-0001 .....                                                                         | 32 |
| Combination Rear Automotive Lamps.....                                                                                                              | 33 |
| Single Backup Lamp SAE Code "R" .....                                                                                                               | 41 |
| License Plate Lamps.....                                                                                                                            | 41 |
| Center High-Mounted Stop Lamps .....                                                                                                                | 43 |
| Combination Center High-Mounted Stop And Cargo Lamps .....                                                                                          | 44 |
| Combination Heavy Truck Fender Front and Rear Turn Signal, Parking, Stop and Tail Lamp .....                                                        | 45 |
| School Bus Warning Lamps .....                                                                                                                      | 45 |
| Vehicle Hazard and Turn Signal Flasher Unit .....                                                                                                   | 45 |
| Vehicle Hazard Warning Switch .....                                                                                                                 | 46 |
| FMVSS 125 Warning Triangle .....                                                                                                                    | 46 |
| Motorcycle Lamps.....                                                                                                                               | 47 |
| Motorcycle Combination Front Lamps .....                                                                                                            | 47 |
| Motorcycle Single Headlamp .....                                                                                                                    | 48 |
| Motorcycle Fog Lamp .....                                                                                                                           | 48 |
| Motorcycle Turn Signal Lamps.....                                                                                                                   | 49 |
| Motorcycle Combination Rear Lamps .....                                                                                                             | 49 |
| Motorcycle Single Tail Lamp .....                                                                                                                   | 51 |
| Motorcycle License Plate Lamp .....                                                                                                                 | 51 |
| Motor Driven Cycle Lamps.....                                                                                                                       | 52 |
| Motor Driven Cycle Combination Front Lamp .....                                                                                                     | 52 |
| Motor Driven Cycle Single Headlamp .....                                                                                                            | 53 |
| Motor Driven Cycle And Low Speed Vehicle Combination Rear Lamp.....                                                                                 | 53 |
| SAE Auxiliary Lamps Both Automotive and Motorcycle .....                                                                                            | 54 |
| Single SAE Front Fog Lamps.....                                                                                                                     | 54 |
| Single SAE Rear Fog Lamps.....                                                                                                                      | 55 |
| Combination SAE Fog With Other Lamps .....                                                                                                          | 55 |
| Single Driving Lamps SAE Code "Y" .....                                                                                                             | 55 |
