Compliance List of Automotive Safety Devices

Safety Glazing Material

For Three-Year Period 2023-2026

October 30, 2026

Automotive Manufacturers Equipment Compliance Agency, Inc.
1025 Connecticut Avenue, NW Suite #1012
Washington DC 20036

www.ameca.org

FOREWORD

This publication is a compilation of regulated motor vehicle safety equipment items which have been tested to recognized standards by accredited testing laboratories and found to be in compliance with jurisdictional requirements as overseen by the Automotive Manufacturers Equipment Compliance Agency, Inc (AMECA).

The AMECA *Compliance List* is published approximately 50 times a year and contains all valid AMECA Notice of Equipment Compliance™ documents issued during the previous three years plus any new compliance documents added in the previous week. The monthly *Compliance List* is uploaded to the website www.ameca.org under the page titled: *Handbook of Compliant Automotive Safety Devices.* This web-based accessibility allows jurisdictions a hours field access to information relevant to accident investigations, anti-counterfeit actions, and compliant proc purchasing.

If you would like to receive notification of the updated AMECA *Compliance List* please send an email to: info@ameca.org with the sections you wish to receive in the body of the email.

Every effort is made to accurately report all new, renewed and revised items from every AMECA compliant participating manufacturers. Your suggestions are always welcome and AMECA is proud to serve law enforcemer every level. AMECA exists to serve you.

Information relative to the preparation of submissions for Notices of Equipment Compliance™ can be found in th *Manufacturers Guide for Safety Equipment Compliance Services*. This guide also contains general AMECA prograr information. A complete listing of safety-related items covered by AMECA is also available at www.ameca.org.

Grateful acknowledgment is made to those who have cooperated in making this listing possible.

THESE DEVICES ARE GROUPED BY DOT NUMBER AND ARE IN MODEL NUMBER SEQUENCE WITHIN THE ASSIGNED MANUFACTURER DOT CODE NUMBER.

AMECA Number	Exp. Date	Company Name	DOT-Number	Markings	Color
